Subject: Public Hearing Regarding Deseret Bonanza

Hi Jeremy,

Yesterday, I received your phone message regarding a public hearing for Deseret Bonanza that EPA would like to schedule on 6/3/2014 in Ft. Duchesne from 12-8 pm. Thank you for calling me. I returned your call and left a couple messages. I understand that your phone number is 303-709-3827. I have been in contact with Sandra Black to set up this public hearing. We understand that the Ute Tribe Auditorium would be the best location. I couldn't determine if you said the Business Council was willing to make the auditorium available on 6/3 or not.

You requested an agenda. We typically provide a public notice for public hearings and provide information at the start of the hearing. Our public notice is not final and not yet available. The purpose of the hearing is to record comments. EPA does not allow discussion or provide answers to questions as part of the hearing and there is no agenda.

As a separate issue, we would be pleased to set up a Tribal Consultation meeting as needed to discuss Deseret Bonanza at a mutually agreed time and location. We could answer the Business Council's questions at this meeting.

Please call me so we can work out details regarding the public hearing and Tribal Consultation.

Thank You,
Matt
